PTA News

The First Big Irthlingborough litter pick went ahead last Saturday. The sun shone and a number of INIS families came to support the whole town with a PTA organised litter pick. I'm so proud of everyone involved from our youngest nursery child helping in the clean up to the wonderful parents and staff who helped out.

We found so much rubbish around the town, so please help us to continue to keep our town tidy. Encourage the children to pick up litter they drop and maybe consider joining us for our next "**Big Irthlingborough Litter Pick**".

Our next litter pick is 26th March!

The PTA raised over £500 with their fantastic raffle and we had lots of amazing prizes won. The money will go straight to the school play equipment fund. Mrs Marshall has had one quote so far which came in at £33k!! She is meeting with more companies this week to try and get a more competitive quote!

The PTA have school discos coming up after Easter, special gifts around mothers day and possibly a summer fair later in the year! These events will all help raise money to replace the old galleon in the playground.

If you have a concern or have seen any Safeguarding issues that you are worried about, this is the school's Designated Safeguarding Lead and her deputies.

Please ask at the office to speak to them in confidence or call 01933 654900

Kindness at INIS

The children have been learning all about ways to show kindness everyday, with just normal day to day deeds. The group of children who joined our litter pick certainly showed kindness! There are lots of ways we can show kindness to each other and point these things out. Our children do not always notice the little kind things that happen everyday. We are pleased that many of the children created Kindness posters. We will be choosing some to display around the school. Our School Council will decide on the winners.

We will continue to promote kindness and teachers will be choosing children who demonstrate kindness in school or in the community for a special celebration assembly certificate.

Here's a few ideas for all the family to have a go at! Please look out for our new posters, coming soon.

Our School Council will be thinking about designs for the new playground equipment and helping us to choose books for the library. The School Council will be making real decisions in school after talking to the other classes in the class councils. We believe our children can be responsible to make vital decisions.

Always start by being kind to yourself!

A few events from our first week back, Oliver Twist, cricket skills, clay creativity, nominations for our new school council and Golden Moment rewards!
