## Head Teacher Update

Thank you to all those parents who came into school for parent partnership meetings over the last two weeks. The teachers were very happy to see you all. It was wonderful to share the progress your children have made. We are so proud of each and every one of them! If you couldn't make the dates last week, please phone to book a time to talk to your child's teacher after the holidays either in person or over the phone. If you didn't have time to fill in our parents survey here is the link [:https://forms.office.com/r/AHvwzZs7vA](https://forms.office.com/r/AHvwzZs7vA)

### Spring Break family challenge

**This Spring Break, we are asking you to see how many challenges you can complete as a family. Try as many as you can!**

Make an Easter card or picture for someone in your family. Make sure it is bright and colourful and that you write neatly inside.

**Learn a new skill e.g. learning some British Sign Language, learn how to create something using origami or how to juggle!**

Build a den in your garden or in the house and read a book by yourself or with someone in your family.

**Can you help make a lunch for your family or do some baking together?**

Do something kind for someone in your house. Perhaps tidy up your bedroom or do the washing up after dinner.

**Draw or paint a picture of a sunflower (National flower of Ukraine) to remember the people in Ukraine.**

Read a book to someone in your family. Can you read your book somewhere unusual?

**Can you write a story about some magical creatures?**

Research and memorise a fascinating fact that you can share with your class when you come back to school.

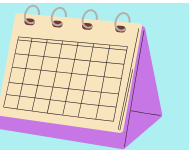

**Take a long walk/bike or scooter ride with your family.**

Do something to support a charity.

**Keep us posted with what you are up to – share your pictures on Twitter and Facebook so we know how you are getting on.**

You can support the people of Ukraine by donating through Just Giving to Action Aid, who will ensure help gets to the right people, in the right place at the right time. Please follow the link <https://www.justgiving.com/fundraising/inis-ukrainesupport>

## The INIS PTA Scavenger hunt

Hidden around Irthlingborough are 11 eggs. Use the clues on the sheet from school to work out where they are. When you find yourself at the correct place you will find a poster of an egg, within the egg there will be a letter. Once you have found all the letters you will be able to complete the word. They do not need to be completed in order. Eggs will be displayed until the 18th April 2022.

**What a great way to get out and about in your local area!**

## Damage to St Peter's Church

On Tuesday 22nd March between 8pm - 9pm a group of youths climbed onto the roof, causing damage to medieval tiles, damaging electrical cabling and dismantling a security camera before throwing it to the ground.

This damage will cost the church a lot of money to repair.

Did you witness anything? Did you see anyone or any groups in the area that looked suspicious?

If so, please contact Northamptonshire Police on 101 quoting ref: 22\*166345

Alternatively you can report it [online here](#)

You can also pass on information anonymously to the independent charity Crimestoppers on 0800 555 111.

The police need people to come forward with information regarding the individuals responsible.

**Our reading caravan the Book Nook has been open for reading at breaks and lunch time. Our children love reading, please continue to share books in the holidays and let us know what the children have been reading by emailing the class email!**

## Covid update

From Friday 1st of April there will no longer be free covid testing. The government is still recommending for people to self isolate if they test positive for covid or if they have covid symptoms. We will re-assess our covid risk assessment once schools have further guidance.
